Real Living Receives Top Real Estate Award

Real Living awarded Most Innovative Real Estate Brokerage honor at a premier real estate conference in San Francisco

COLUMBUS, OH – (August 01, 2005) – Real Living, Inc., the fifth-largest residential real estate firm in the United States, announced today that they were honored with the **2005 Most Innovative Real Estate Brokerage** award during Real Estate Connect 2005.

The award recognizes companies of all sizes that use technology and innovation to enhance the real estate transaction for consumers and real estate professionals. Real Living was one of two companies to receive the honor out of 65 other final nominations.

“As an agent-centric and customer-focused company, we’re always looking for innovative ways to better serve agent needs and provide exceptional service to their clients,” said Harley E. Rouda, Jr., CEO and managing partner for Real Living. “The award is a great honor that Real Living takes pride in – feeling very confident that we are indeed changing the face of residential real estate.”

The award was presented to Real Living on July 27 at the Real Estate Connect 2005 conference in San Francisco. The conference is now in its tenth year and known as the leading event for real estate, technology and innovation. Top executives from across North America attend the conference to network with other real estate leaders and learn about real estate innovation.

Bradley Inman, Founder & Publisher of Inman News said, “With a great tradition in real estate, Real Living has demonstrated a proven track record of innovating, extending its brand through best business practices, marketing and technology.”
